Information for doing a telemedicine visit with Southern TN Pediatrics Sewanee RHC

- Please call the office 10-15 minutes before your or your child's appointment to check-in with the front office and then you will speak to the nurse before logging in with the link that was sent to you
- All forms will need to be filled out before your scheduled time and sent to us via email at strhssewaneepeds@lpnt.net. If we don't receive the forms before or at the time of your appointment then the appointment may have to be rescheduled.
- Forms can be found on our website sewaneepediatrics.com in the general information section and then fillable forms. If not able to do them on the website, you can request for us to email them to you. We may also send a text link to the cellphone on file with the forms that are needing to be filled out.
